

Our Price List

The cost of a funeral is made up of two parts:

1. The funeral provider's costs. These are the costs of professional services and any products and services chosen by you to create the best goodbye.
2. Third party costs. These costs are additional costs paid to third parties for services not provided by us, such as church fees, cremation fees, burial fees and officiant's fees. As such, we have no control over these costs but are required to pay these costs on your behalf.
